Kurzbeschreibung Five years ago, Embry Jacobs ran...She ran from a past that still hasn't let her go, but her dream of becoming a lawyer is stronger than her fear of confronting that past. Embry's sole focus is to get through law school with the help of her best friend, Morgan and make something of the broken girl she became. Not thinking about falling in love, being in a relationship or even entertaining the idea of romance, Embry is moving forward one day at a time. Luke Brody is charming and sexy, and has a past of his own. He wants nothing more than to put his demons to rest and move on with his life. But, when Embry enters the picture, is he destined to repeat those same mistakes? Blindsided by their instant attraction, neither Luke nor Embry are prepared for the feelings they're developing. But will it all be for nothing? Will they let their pasts destroy them, or will they risk everything to fight for their relationship when it all comes undone?
