blutleer und substanzlos. Die ganze Zeit über hatte ich das Gefühl, dass da noch etwas kommen müsste, etwas das mich den Figuren näher bringt, eine Geschichte hinter der Geschichte, eine Erklärung Ganz zu schweigen von dem völlig eigenartigen Ende. Mich stört daran nicht das es unerwartet ist sondern vielmehr, dass es unvorbereitet ist. Im Großen und Ganzen sicher ein Stoff der origineller als viele andere Vampirstories überkommt mich aber irgendwie kaltgelassen hat.

Synopsis As part of the Kahill clan's special operations 'kill team,' Arlan is devoted to ridding the world of its most depraved human members. He's been asked by fellow clan member and FBI Agent Fia Kahill to assist in one of her investigations: the notorious Buried Alive Killer case. Arlan agrees to meet with one of Fia's key informants, Macy Smith, but he's completely unprepared for his response to the young woman. Blond, petite, and achingly beautiful, Macy is everything Arlan could want in a woman - and it's clear the attraction is mutual. Although Arlan once vowed he would never again let himself fall in love with a human being, he surrenders to his overpowering desire for Macy... Soon, Arlan and Macy keep mysteriously crossing one another's paths, even in Clare Point. In Macy, Arlan can sense a loneliness that reminds him of his own and a vulnerability that tugs at his soul. But Macy is a drifter with a past far darker than even Arlan can imagine. And when the Buried Alive Killer strikes again, he learns that Macy has a deep connection to the case - one that will put her in the crosshairs of the killer if Arlan can't find a way to protect her...
