Isabelle Peterson is very talented brilliant writer and everytime, she releases another book amazes me a bit more. She clearly has ruined me to read another book at least for a while! I never expected to enjoy M/M romance, but she has done great job. Thank you

Isabelle!

Kurzbeschreibung  
Divorce is a big change... But there are bigger ones. A few months after his divorce and many failed blind dates, Greg Fairchild met Tanner Williams. What started out as a good friendship unexpectedly turned into something that Greg didn't know what to do with... attraction. Why would he be attracted to a man? He had been a ladies man back in the day. He was married for more than 20 years - to a woman... He fathered three children with that woman... He was a Republican! Was this unexpected development a mid-life crisis? Or had he been living a lie all these years? WARNING: EROTIC ROMANCE. This book contains subject material of an adult nature intended for readers over the age of 18. In these pages you will find graphic language, sexual encounters and gay sex. You've been warned. Happy reading!
