**Von Gina Dartt : Unexpected Sparks (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unexpected Sparks (English Edition):

Kurzbeschreibung Falling in love is complicated enough without adding murder to the mix. In the midst of bookstore owner Kate Shannon's growing feelings for a much younger Nikki Harris, a fatal fire in an insurance office across the street adds another challenge--and one that could be deadly. Subsequent fires make life hot as they rush against time to unravel the mystery surrounding the death of Sam Madison, all the while dealing with their newfound attraction. Will the unexpected sparks between these two very different women blind them to the true identity of the arsonist? Or will they be able to stop a killer before anything else goes up in flames?

Synopsis Unexpected Sparks opens with a fatal fire for Sam Madison, Truro's local Lothario, as his insurance office burns to the ground. This arson and subsequent fires makes falling in love a little more complicated as Kate Shannon, forty years old, elegant and highly respected in the small Maritime town, finally surrenders to her growing feelings for twenty-six-year-old Nikki Harris, a country girl who has a habit of poking her nose in where it doesn't belong. Will discovering the unexpected sparks for each other blind these two very different women to the sparks set by an arsonist? Or will the new couple, working together, stop the killer before anything else goes up in flames?
