**Von Nelle L'Amour : Unforgettable: A Sexy Hollywood Romance (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Unforgettable: A Sexy Hollywood Romance (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.  
PredictableVon readerThere are three books in the series and the first one ends in a cliffhanger, I suppose the second will too. After reading book one, I won't purchase books two and three, this story is so predictable and clich.The blurb sounded so promising. But the reader gets juvenile characters and really predictable outcome. Brandon is a selfish, self

absorbed and narcissistic wimp, I only kept reading because I was waiting for the break up that didn't happen. My first book with a handsome, rich, successful hero who was weak and didn't stand up for himself. There were several holes in the plot: which Hollywood A-lister only has a manager and a PA but no personal security, no lawyer, no financial adviser, no household staff? 1 von 1 Kunden fanden die folgende Rezension hilfreich. This story is not something new or outstanding but a nice, enjoyable read. Von LivI have mixed feelings about this book. Its a lightweight but enjoyable story with really funny, hilarious parts and sometimes a bit over the top scenes. I wasn't a fan of the Prologue. It was quite shocking and really short. It didn't feel like it belonged to the story and the sentences felt like just thrown in. A lot of information packed into a few pages. I think it would have fitted better in between the storyline. In the beginning Brandon woke up in hospital after his accident. I didn't like his first chapter at all and kept thinking 'Whats wrong with this guy? He lost his memory and all he worries about is his cock? What I didn't like so much was the repetitive mention of Brandon Taylor being no ordinary citizen, being TV's highest paid actor, People Magazines Sexiest Man Alive. And he is engaged to America's It Girl Katrina Moore, they're getting married on national TV. Its always the same. Zoe thinks about this in almost all of her chapters and even Brandon himself thinks about him as Sexiest Man Alive all the time. This is annoying after a few repeats. Is it even possible for him to be any more narcissistic? The strangest thing for me is that such a famous Hollywood star that he is, has no security and walks around like a normal person without getting bothered by paparazzi or journalists. And who cleans his house and his gigantic pool? Hes such a weird superstar. Despite the bumpy beginning and a few weird scenes in between did I enjoy this book. The different POVs from Brandon and Zoey gave some variety. And the other characters added a bit of width to the story though it lacked in depth. My review may seem like I was bothered a lot by this book but thats deceptive because theres a lot in this story that I really liked. I just get easily upset by stuff that I don't like and I can't stop ranting about it. Sorry =P Its a foreseeable story without surprises. I believe the story would be better if it wouldn't drag out so much and if it would be just one book instead of a series.-- I received an ARC of this book from the author through the Fifty Shades Support Group on Goodreads in exchange for an honest review. --

**Kurzbeschreibung FROM THE AUTHOR OF THE BESTSELLING THAT MAN SERIES, A NEW STEAMY COMEDY ROMANCE THAT WILL MAKE YOU LAUGH, CRY, AND SWOON!** Brandon: I've just woken up from a life or death coma. And learned that not only am I Hollywood's number one heartthrob, but I'm also engaged to America's It Girl, Katrina Moore. She may be a blond goddess, but my mind can't remember shit. And my cock doesn't give a shit. Because my heart started beating for another the minute she came through the door. Zoey: Screw Brandon Taylor. Recovering from his hit and run accident, my demanding, egotistical boss is more of a jerk than ever. And with those violet eyes, more ridiculously panty-melting beautiful. As his personal assistant, I have to attend to his every whim and need as well as contend with his stuck-up fiance. Life isn't easy for me. Despite my visible size, I've always been invisible. Maybe, the amnesiac is beginning to remember. A girl can dream. No man is more unforgettable...in every way. Join Brandon and Zoey as their unlikely Hollywood fairy tale unfolds in three full-length books releasing a month apart. From Los Angeles to the South of France, their love story has it all romance, passion, steamy hot sex, glitz and glamour, plus an adorable little dog and a murder that could unravel everything.

ber den Autor und weitere Mitwirkende Nelle L'Amour is a New York Times and USA Today bestselling author who lives in Los Angeles with her Prince Charming-ish husband, twin teenage princesses, and a bevy of royal pain-in-the-butt pets. A former executive in the entertainment and toy industries with a prestigious Humanitas Award to her credit, she gave up playing with Barbies a long time ago, but still enjoys playing with toys with her husband. While she writes in her PJs, she loves to dress up and pretend she's Hollywood royalty. She aspires to write juicy stories with characters that will make you both laugh and cry and stay in your heart forever. Her books include the Unforgettable trilogy, THAT MAN series, Glorias Secret trilogy, Seduced by the Park Avenue Billionaire trilogy and Undying Love.
