Unforgettable is unforgettableVon Linda GriffithThis is the first Meryl Sawyer book I've read, but after this one I read all 10 out of 11 of her books in two weeks. She's excellent! Unforgettable is a fantastic love story with creepy suspense thrown in. The parts in the book that deal with what the villian is thinking gave me chills. Lucky is a character that you

can really sympathize with. Watching her grow throughout the story in her relationship with Greg and with the animals is wonderful. I almost didn't read this book because a few of the reviews said that loose ends were not tied up - but they were. The book explained what Lucky was mumbling when Greg first found her and the reasons she looked the way she did. All in all this is a very entertaining book which I highly recommend. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Captivating Von Ein Kunde I actually stumbled upon *Unforgettable* at our local library. I am thankful I did. The story was captivating early on when the hero, Greg Braxton, and his Search and Rescue dog, Dodger, find a bleach blonde barely alive in a wrecked car at the bottom of a ravine during a powerful electrical storm. Why she is wearing mis-matched shoes begins the great mystery. I didn't give *Unforgettable* 5 stars for three reasons. First, there seemed to be some loose ends. Some of the babbling Lucky says just after Greg rescues her isn't really cleared up at the end. Second, Lucky seems to vacillate between being super strongwilled (when she cares for the shark) and super meek (when she apologizes for hurting people). Too much of a swing for me. And finally, Meryl Sawyer does a wonderful job building up to a climatic finish, but then leads you through the big blowout scene second handed. It would have been nice to live through all the punches with Lucky. All in all it was a pretty entertaining story. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Not unforgettable, but pretty darn good. Von Tess Capra Perhaps if Zebra spent as much on publicity as it did on *Unforgettable's* expensive dual-image cover, Meryl Sawyer would rack up the sales of fellow romantic-suspense authors Nora Roberts and Karen Robards. Certainly she deserves the readership for books that take troubled characters and throw them into circumstances that draw them together. In *Unforgettable*, Greg Braxton is on a training run with his search-and-rescue dog when they find a car wrecked in a ravine, its female passenger bleeding from a head wound. The woman turns out to be suffering from a form of amnesia. Not only can she not remember her name, but even the body reflected in her mirror -- bleached frizzy hair and the wardrobe of a hooker -- is that of a stranger. Greg is attracted to the woman he nicknames Lucky, but having suffered through one marriage with a cheating wife, he's unwilling to enter into a relationship with a woman whose morals seem questionable, to say the least. The evidence mounts against Lucky when the car she wrecked turns out to be stolen, and she's linked to an obnoxious local politician. Nonetheless, when a man shows up claiming to be Lucky's husband, Greg finds himself more anxious to protect her than push her away. Amnesia plots have got to rank among romance novel's most trite. But Sawyer's complex, well-drawn characters bring a freshness even to a soap-opera staple. *Unforgettable* isn't as, well, unforgettable as Sawyer's *A Kiss in the Dark* or *The Hideaway*, but it's definitely a cut above most books in this overcrowded genre.

Kurzbeschreibung A man saves the life of a woman who has no memory of her identity and may be a dangerous criminal in this steamy, mesmerizing tale of romantic suspense. A volunteer with the Maui search and rescue team, Greg Braxton is training a greyhound under the extreme conditions of a lightning storm when he finds an unconscious woman in a car at the bottom of a cliff. When she awakens, she doesn't know who she is or what she was doing in a treacherous rainforest in the middle of a raging storm. Nothing about the woman makes sense. She has the face of an angel but was found dressed in tawdry clothing, wearing a dead woman's shoe. Is she an innocent victim, or a cunning criminal hiding behind amnesia? Greg takes to calling her Lucky because she's lucky to be alive, but no matter how much Greg comes to admire and desire the woman he saved, he can't give her back her past. With the law closing in, Lucky and Greg must discover her true identity before someone else finds her first.
