Mayhem Von Anna Salamatin This is another hilarious go round with our favorite doctor, demigod, hitman Rolly's been reinstated as security guard, so the gang's all here!.... Crixus shows up with a new client (Adonis) Matilda of course being a mere mortal can't resist. Word gets out to the two goddesses' so now they are gunning for the doc. Liam Crixus are both jealous. The Easter bunny (Marvin) pops in and he has a death wish. Matilda finds out she is being blackmailed,Yep, just another day in the life! LOL! This one is pure, non stop mayhem, the hits just keep on coming....I was gifted this book in return for my honest review.

Kurzbeschreibung When there's not a hop in hell...The day is going to hell in a hurry for Paranormal Psychologist Matilda Schmidt, and that's *before* a suicidal Easter bunny shows up for treatment. When pictures surface of Matilda caught in the middle of a hit man-Cupid sandwich, she lands in the oily grip of a ruthless blackmailer, whose motives are as ugly as his mustache. Now Matilda must betray the trust of someone who cares for her to meet the blackmailer's demands, or she can kiss her reputation, her practice, and even her freedom goodbye. But blackmail is only the beginning when the immortal mystery-client brought to her couch by a seductive demigod causes Matilda to fling caution along with her pants to the wind. Hunted by two jealous goddesses who would gladly use her intestines to lace up their strappy sandals and with her full-time hit man sometimes lover nowhere to be found Matilda will have to save herself, or the world will be up River Styx without a paddle.
