schon die Annihilate Me Bcher gelesen und war deshalb auch schon sehr gespannt auf die Story von Lisa und Tank. Es ist eine super spannende Story, sehr heiss und ich habe es in einem durchgelesen. Das Ende ist total spannend und man mochte sofort weiterlesen, aber nun muss ich auf Volume 2 und 3 warten, aber es lohnt sich. Insbesondere die Charaktere des Buches (Blackwell z.B.) einfach super lustig und es ist ein Buch, das ich jedem empfehlen wrde. Erotisch, spannend und witzig.
