KurzbeschreibungA powerful vampire lost deep in his bloodlust, Snow is a savage animal, mindless with rage and a thirst for violence, and trapped with no hope of awakening from an endless nightmare until a song draws him up from the abyss, restoring his sanity but leaving him haunted by the sweet feminine scent of lilies and snow, and fragmented familiar lyrics. When the mysterious and beautiful songstress reappears in Snow's room at Vampirerotique, she awakens a fierce protective streak and stirs dark desires that drive him to claim her as his female, even when he knows his touch will destroy her innocence. A single forbidden taste is all it takes to unleash emotions in Aurora that she shouldn't possess, tearing her between duty and desire, and luring her into surrendering to her wildfire passion and embracing hungers that burn so hotly they threaten to consume them both. One act of kindness can lead to one thousand acts of sin though, each a black mark against the bearer's soul and another grain of sand that slips through an hourglass. The clock is ticking and time is almost up. Can beauty save the beast? Enter the dark, sinful and seductive world of the four vampire owners of London's premier vampire erotic theatre, Vampirerotique, and discover how these powerful vampires will be brought to their knees by the women who claim their hearts in this passionate, intense and thrilling vampire romance series from New York Times and USA Today best-selling paranormal romance author Felicity Heaton: Book 1: Covet Book 2: Crave Book 3: Seduce Book 4: Enslave Book 5: Bewitch Book 6: Unleash This series is complete at 6 books and features vampire romances with plenty of steam, lots of bite and NO cliffhangers!
