Von Laurien Berenson : Unleashed (A Melanie Travis Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Unleashed (A Melanie Travis Mystery):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Netter Krimi - nicht nur fr HundefansVon Ein KundeMelanie sucht mal wieder einen Mrder, den Mrder der Exfrau ihres

Verlobten. Der Krimi ist die richtige Lektüre für Kurz-Vorm-Einschlafen im Bett, d.h. spannend, kleiner Kreis möglicher Täter und nicht zu kompliziert. Dieses ist das erste Buch der Serie, das ich gelesen habe und es macht Lust auf mehr.

Kurzbeschreibung Summer means two things to Melanie Travis: a break from her teaching duties at Connecticut's elite Howard Academy and a chance to plan the perfect wedding to her fiancé, Sam. She certainly doesn't need the unwelcome arrival of a dinner invitation peace offering from Sam's ex-wife, Sheila Vaughn. To make matters worse, Sheila announces her temporary stay in town is now permanent: she's accepted a job as co-publisher of *Woof!*, a new gossip rag for the dog show world. But before the first issue is even out, a hotter story breaks when Sheila is found dead, strangled with a leather dog leash. As far as Melanie's concerned, the woman should have been on a leash long ago. And it seems she isn't alone in her dislike of Sheila. Some of *Woof!*'s salacious stories threatened to expose the dirty paws of quite a few important exhibitors, and someone on Sheila's staff may have found her high-handed attitude worth silencing. Now, it will take the instincts of a bloodhound to sniff out a killer who's bent on putting an end to Melanie's amateur sleuthing . . . A winning cozy . . . there are some tender moments here and the ending is a surprise on more than one front. PUBLISHERS WEEKLY

Pressestimmen "A winning cozy...there are some tender moments here and the ending is a surprise on more than one front". PUBLISHERS WEEKLY
