Von Lucy-Anne Holmes : Unlike A Virgin (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Unlike A Virgin (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Not quite as good as I had hoped for it to beVon IloenchenGracie is 26 years old and focused on making the most of her life. She is a successful estate agent, has a perfect boyfriend and things couldn't go better. But then, she doesn't get the

promotion she expected, her boyfriend breaks up with her and a company plans on buying and destroying her father's grave. I expected 'Unlike a Virgin' to be a light, quick read. Nothing too deep but funny and interesting enough to keep me well entertained for a few hours. Unfortunately, I was a bit disappointed. Don't get me wrong. 'Unlike a Virgin' isn't a bad read but it is not exceptionally good. The story makes the wrong kind of twists and the more I read, the more the characters seemed ridiculous and unbelievable. I could identify with the main character for most of the story and I came to like her. But her boyfriend wasn't believable and neither was her mother. The worst character had to be the guy who snagged away her promotion at work. During the whole novel, he seemed like he had been taken from a comic book. His character traits were so exaggerated that I couldn't, not even for a moment, believe that someone would act that way. There were still some good passages in the book and I was entertained for most parts. The writing is fluid enough for me to get through the novel quickly. But it wasn't as great as I had hoped it would be.

Kurzbeschreibung Is Gracie in love for the very first time? You know that bit in The X Factor, when the singer tells everyone about the rocky road they travelled to pursue their dream? Well, that's Gracie Flowers' story. Gracie is very focused for a woman of almost twenty-six. Her favourite book is 'The 5-Year Plan: Making the Most of Your Life'. And her five-year plan is going very well. That is, until she is usurped from her big promotion by a handsome, posh idiot; she is dumped by her boyfriend; and discovers her loopy mother is facing bankruptcy. Hormones awry and ice cream over-ordered, a dream Gracie thought she'd buried ten years ago starts to resurface. A dream that reminds her of the girl she used to be and everything she wanted to become. **Pressestimmen** Hilarious, sweet and all too relatable. Had me laughing out loud from the first page. Which was embarrassing (Lindsey Kelk) **Werbetext*** The big breakout novel from the hottest writer of romantic comedy
