Disappointing Von reader Instead of improving, the series became disappointing on each follow up book. I did not understand the group that Sebastian was a member of. The books were such a quick read that the author did not spend

enough time making you care about this group. What is their purpose? They don't get political but they ensure things happen? Made no sense to me. Was a way to add drama without any real explanations. I couldn't stop laughing while reading the last of this trilogy. What!!! Secret society? James Bond? Brothers? The intense sex mixed in with this ridiculous 'kind-of-James Bond' is just so wrong. This book was not an erotic romance but went in an entirely different direction, the secrets that Sebastian had were when revealed just too silly for words IMO. It's like Cross decided to stop writing erotica and start a poor rendition of Ian Fleming - a really poor rendition. The story turned into a really sad version of a secret society book with very little of what it started off to be. Some moments in the book seemed rather childish. More like a cheap detective story than romance. The plot had more holes than a string vest. Sebastian who had been the only good thing about this series, changed from being a domineering and compelling character to a bit of a wimp. Save your money and buy a real thriller or a romance novel. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannend, schn, sexy Von F.M....man mag es nicht mehr weglegen! Nach den ersten beiden Teilen muss man erfahren, wie die beiden Protagonisten zueinander finden und unter welchen Umständen. Meiner Meinung nach der bester der drei Teile.

Kurzbeschreibung The breathtaking conclusion to the New York Times and USA Today best selling Alpha Group Series. NOTE: This is not a standalone story. It is the sequel to Locked and Lockout, which should be read first. Locked is currently available absolutely FREE. Who is Sebastian Lock? The heart can lead you to dangerous places. Abandoned by the man she loves, with nothing more than sweet words and riddles for an explanation, Sophia Pearce felt like her life was crumbling before her eyes. And then they came for her. Now, things will never be the same. Confronted with the truth about Sebastian's identity, she's thrust into a high stakes world beyond anything she could have imagined. A world that threatens much more than just her feelings. Sebastian's enemies will stop at nothing to get what they want, and they want her. Their passion for one another consumes them, but as the danger mounts, and loyalties are tested, Sophia must answer one simple question. What is she willing to risk for love? This book is approximately 55,000 words long, or a little over 200 printed pages. It contains erotic content and a dominant man who always gets what he wants in the bedroom. It is intended for readers aged 18 and over. Kurzbeschreibung The breathtaking conclusion to the New York Times and USA Today best selling Alpha Group Series. NOTE: This is not a standalone story. Growing up with a mother who worked in a book store, she read a lot from a very young age, and soon enough picked up a pen of her own. She's tried her hands at a whole variety of genres including horror, science fiction, and fantasy, but funnily enough, it was the sexy stuff that stuck. She has now started this pen name as an outlet for her spicier thoughts (they were starting to overflow). She likes her heroes strong but mysterious, her encounters sizzling, and her characters true to life. She believes in writing familiar narratives told with a twist, so most of her stories will feel comfortable, but hopefully a little unique. Whatever genre she's writing, finding a fascinating concept is the first, and most important step. The Alpha Group is her first attempt at erotic romance. When she's not writing, she's playing tennis, trawling her home town of Sydney for new inspiration, and drinking too much coffee. She loves to hear from readers, so please feel free to follow her on any of her social media channels. And don't forget to check out her website.
