**Von Cassia Leo : UNMASKED: Volume 1 (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised UNMASKED: Volume 1 (English Edition):

KurzbeschreibungFrom New York Times bestselling author Cassia Leo comes a deliciously dark and mind-bending romantic thriller series.I was born into this world unwanted.I spent the first hours of my life unloved.I spent the first eighteen years of my life with the parents who tried to shelter me from the harsh reality of my existence.But you cant un-write a sad story if the ending is literally written all over your face.So I moved out and now I hide. I have a night job that pays the bills. Every night, I put on my mask and walk to work.Then one night, I hear and see something that will change my purpose in life... forever: a murder that will bring him to me.He says he wants to protect me. And, through a series of events I cant fully make sense of, I find myself believing him. But our nightly visits are always cloaked in darkness. I dont know his face and he will never know mine. I was born into this world unwanted. I will leave this world unmasked.
