KurzbeschreibungSome say that I'm cynical. Some say that I'm flippant. But I am neither of those things. I am just a realist, who through an unfortunate turn of events, learned the hard way that everything is in fact black or white. At least for me it is, and always will be. But then there is Calvin King. The thorn in my side, the pain in my ass. He is what some would call the perfect man - an imposing businessman, an even more impressive ladies man. Every man wants to be him and every woman just wants him. At least that is what I hear. Im not admitting to anything beyond that. What I do know and will concede to, is that my resolve is tested as soon as I meet Calvin. He ticks every box off my checklist - sexy as sin, tall, dark, rich, intelligent, and funny. My body craves just the thought of him. How can I possibly keep him at arms length when he is the only man I want and desire? And it doesnt help that he kisses like a god and sets my body on fire. Crap! Dont ask me how I know that, he doesnt play fair. Most importantly, I cant let him unmask me, its my only defense. Unmasking Charlotte is book 2 of the Taboo Love series and picks up where Hey There, Delilah left off. As with Hey There, Delilah, it is a standalone - so dont worry if you havent read Hey There, Delilah, yet - with a HEA. That means no cliffhanger! Oh, and expect to see some of your favorite characters.KurzbeschreibungSome say that I'm cynical. Some say that I'm flippant. But I am neither of those things.
