Von Mark Del Franco : Unshapely Things (Connor Grey, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Unshapely Things (Connor Grey, Book 1):

KundenrezensionenHilfreichste Kundenrezensionen9 von 9 Kunden fanden die folgende Rezension hilfreich. Depressed in the Weird makes you hungry for moreVon -klientHow deep can you fall when you once were a hero-druid, solving the most interesting crimes and being rewarded for it with money, star-dom and all kinds of pleasures?

What if your powers get taken away from you and no one, no one, knows how to give them back to you? Connor knows. Connor lives in the Weird. If you can call waking up, being depressed and going to sleep 'living'...Fey are being killed and their hearts are removed. Connor gets involved and suspects a ritual is being prepared. Finding out just what ritual is not easy and the search pits him against some of the Druid guild, who are the Fey's police' he no longer calls his friends. Actually... Even before he lost his powers he wouldn't have called them his friends either. With strong enemies, it's a difficult race. With suddenly the finish in sight, Connor seems to have gotten a lot wrong but a few things dangerously right...Initially I was reluctant to buy this book. Since my addiction at a very young age to Agatha Christie I have developed an allergy against using deaths for plot reasons only and the description of this book provoked an allergic response. But I was wrong: the deaths in this book are not plot-drivers only; some of the people dying first appeared as well-developed characters who were very much alive.For a first book, this is an excellent beginning. The characters are well-developed, the friendships rich and dynamic and the world vibrant and interesting. You're probably going to want to buy book 2, just like me...

KurzbeschreibungIn the alleys of the decrepit Boston neighborhood known as the Weird, fairy prostitutes are turning up dead. The crime scenes show signs of residual magic, but the Guild, which polices the fey, has more "important" crimes to investigate and dumps the case on human law enforcement. Boston police call in Connor Grey, a druid and former hotshot Guild investigator-whose magical abilities were crippled after a run-in with a radical environmentalist elf. As Connor battles red tape and his own shortcomings, he realizes that the murders are not random, but part of an ancient magical ritual. And if Connor can't figure out the killer's M.O., the culmination of the spell might just bring about a worldwide cataclysm.Pressestimmen"Take a walk on the Weird side." -- Rob ThurmanKurzbeschreibungIn the alleys of the decrepit Boston neighborhood known as the Weird, fairy prostitutes are turning up dead.
