Humorous western romance that shows an enlightened Wyoming
Von Ein Kunde Wyoming in 1887 is a unique state being the only one that legally allows women to not only vote but to hold public office. Tyler Ashburn is running for the mayor of Sawtooth. His platform is simple: clean up the small town by shutting down the saloons that Tyler blames for the suicide death of his father following the loss of a fortune. His surprising opponent turns out to be saloon owner Gabby Wade, who simply seeks respectability. As the two pair off against each other in the campaign, they cannot avoid their mutual attraction or resist kissing one another. Soon Tyler and Gabby are deeply in love but that may not prove to be a strong enough an emotion to overcome the flawed pasts of both people. UNTAMED HEART is a humorous frontier romance that reminds readers how far ahead some of the western states were when it came to the rights of women. The lead protagonists are an amusing duo, fighting each other and their growing attraction to one another. The story line is entertaining and fun as expected from western romance author Maureen McKade (see A DIME NOVEL HERO). This novel is a lighthearted treat for sub-genre fans. Harriet Klausner

Kurzbeschreibung Every time Tyler Ashburn sees pert Gabby Wade sashaying down the streets of Sawtooth, Wyoming, his righteous blood begins to boil. He's ready to clean up this booming town, and women like Gabby -- who owns a gambling saloon -- make it unsafe for law-abiding folks! But even though Tyler's running for mayor on a Law Order platform, he can't help but imagine breaking a few rules...with the sassy, irresistible Gabby. Gabby's worked too hard to let some high-falutin' fellow like Tyler tell her what to do -- so she shocks the good citizens of Sawtooth by running for mayor against him! The trouble is, even though she'd like nothing better than to defeat Tyler, her rugged, broad-shouldered opponent is beginning to defeat her intentions...of not succumbing to his bold kisses. And as their campaigns heat up along with their passions, she wonders what the cost of winning might be!

ber den Autor und weitere Mitwirkende Currently living in North Dakota, I appreciate the tranquility and rich history of the northern plains. In my spare time, I enjoy reading, traveling, golfing, birdwatching, hiking, and camping. Outlaw's Bride is my fifth historical romance. My first book, Winter Hearts, was nominated for both the Romance Writers of America's Golden Heart and RITA awards. My fourth book, Mail-Order Bride, was also offered through Doubleday Book Club. I live with my husband (an Air Force officer), one very spoiled cat, and our newest family addition, a French Brittany Spaniel, which our cat thinks is the dumbest creature on earth.
