Von Mariah Stewart : Until Dark before purchasing it in order to gage whether or not it would be worth my time, and all praised Until Dark:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A thrilling mystery!Von Detra FitchKendra Smith was a skilled compositor for the FBI. She was well known for the way

she could make witnesses recall details about their attackers. Kendra felt that she helped provide closure for the victims and their families - closure that she never received when her little brother, Ian, disappeared eleven years ago. When the FBI needed someone to sketch the face of a killer dubbed the "Soccer Mom Killer", Kendra was called. Special Agent Adam Stark had a brief, passionate affair with Kendra a few years before. Adam saw this as an opportunity to renew their relationship. This was not easy since the number of bodies kept increasing. Worse, the killer seemed to be sending Kendra a personal message. **** Action and suspense combine for a thrilling ride in this novel by Mariah Stewart. It will take a very astute reader to figure out who the killer is before the main characters can. I could not stop reading! Highly recommended! ****

Kurzbeschreibung From New York Times bestselling author Mariah Stewart comes a novel of sexy romantic suspense for fans of Nora Roberts, Catherine Coulter, and Karen Robards. A skilled compositor for the FBI, Kendra Smith has a way with witnesses, helping them to remember crucial details about their attackers they might otherwise have forgotten. She believes her work helps to provide closure for the victims and their families closure that has eluded her for the eleven years since her brother was kidnapped, his body never found. Determined to put her painful past behind her, Kendra throws herself into every case one hundred percent. Now she is called in to sketch the face of a man the press is calling the Soccer Mom Killer. Its a difficult investigation made even harder by the presence of Special Agent Adam Stark, a man with whom she once had a brief, passionate affair. As the number of victims continues to rise, and with a killer always one step ahead, Kendra will learn a lethal lesson: You can run from the past, but you cant hide. . . .
