Von sa Larsson : Until Thy Wrath Be Past: A Rebecka Martinsson Investigation before purchasing it in order to gage whether or not it would be worth my time, and all praised Until Thy Wrath Be Past: A Rebecka Martinsson Investigation:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Super!Von Vanessa KohlgrberSchwedenliebhaber aufgepat, ebenso Krimiliebhaber, gut erzahlt, sehr spannend, tolle Geschichte, realittsnahe Beschreibung von Menschen und Land, Stadt, Natur und Tieren1 von 1 Kunden fanden die

folgende Rezension hilfreich. Empfehlenswert Von Marille Asa Larsson Bcher sind einfach klasse! Sehr spannend, wie auch die anderen Bcher aus dieser Reihe konnte ich dieses nicht weglegen bevor es ausgelesen war. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein echter Tipp! Von Sarah Die Bcher der Reihe sind in OV sehr gut zu lesen. Tolle Sprache, sehr spannend, berraschende Handlung. Auch typisch schwedisch-melancholisch :) manchmal zumindest. Knnte ich noch 100 Bcher von lesen. Keep on writing like this, Asa!

Kurzbeschreibung In the first thaw of spring the body of a young woman surfaces in the River Torne in the far north of Sweden. Rebecka Martinsson is working as a prosecutor in nearby Kiruna, her sleep troubled by visions of a shadowy, accusing figure. Could the body belong to the girl in her dream? Joining forces with Police Inspector Anna-Maria Mella, Martinsson will need all her courage to face a killer who will kill again to keep the past buried under half a century of silent ice and snow. Pressestimmen "This book was so good! A lot of Swedish crime books carry the comparison of being as good as Henning Mankell and many of them simply aren't. However, I actually thought that this was better than Mankell's books ... sa Larsson weaves an extremely intricate plot and we view the actions directly from several different characters ..." Dot Scribbles. (Dot Scribbles) "Let me get my verdict on this novel out of the way first: brilliant. It has been a long wait for those of us for whom sa Larsson's novels strike a deep chord ... thanks to MacLehose Press taking on this talented author ... Until Thy Wrath confirms my view that sa Larsson is, along with Johan Theorin, writing today's highest-quality psychological crime novels, particularly strong in their evocation of the local communities, myths and superstitions that are all in danger of dying out in our globalised, homogenised society" Maxine Clarke, Eurocrime. (Eurocrime) "Asa Larsson is a markedly different writer, with notably cooler prose, and unlike her multimillion-selling namesake, Stieg ... The novel shows that Larsson is ready to confront unpalatable truths. Among the current batch of Nordic writers, the new Larsson is one to be followed with the most minute attention" Barry Forshaw in Independent. (Independent) "Creepy crime thriller" Star magazine. (Star magazine) "Fans of Henning Mankell, Karin Fossum and Arnaldur Indridason will not be disappointed" Publishers Weekly. (Publishers Weekly) "Larsson's laid back style makes her unflinching probing of icy depths of the human heart all the more chilling" Jake Kerridge, The Telegraph. (Telegraph) "Until thy Wrath be Past is a brutal, yet beautiful, tragedy. The strength of sa Larsson's characters made it very difficult to put the book down ... I just had to keep turning those pages" Erik Lundqvist, in I Will Read Books. (Erik Lundqvist, in I Will Read Books) Kurzbeschreibung In the first thaw of spring the body of a young woman surfaces in the River Torne in the far north of Sweden.
