Von Josh Lanyon : Until We Meet Once More (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Until We Meet Once More (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great little read - Josh Lanyon hardly ever disappoints!Von SilviaThis is a lovely short story with all the good and bad that the short story genre brings. It's typical Josh Lanyon writing which to me means: good writing, good language, good characterisations, good plot, good setting, good research. And so happened what usually happens when I read JL

stories: I'm reaching a point where I start caring for both Vic and Sean and am beginning to worry - and *boom* it's over because it's only a short story. Deep sigh. I would really, really have loved to read more about these two men, and how - and if - they manage to pick up the pieces of what they once had and carry it into their everyday lives that are not really everyday lives at all, given their chosen careers. A good read, as always. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Zu kurz Von Carista Die Geschichte war Teil einer Anthologie, darum ist sie leider viel zu kurz. Sie hätte viel mehr Potential gehabt, aber es lohnt sich trotzdem sie zu lesen.

Kurzbeschreibung Nothing cracks Army Ranger "Stone Man" Vic Black's granite front. A mission to retrieve an injured Navy SEAL from the treacherous mountains of Afghanistan is all in a day's work -- until he learns the missing SEAL is his former lover. This time it's personal. (This short story was previously published in the Because of the Brave anthology.) Kurzbeschreibung Nothing cracks Army Ranger "Stone Man" Vic Black's granite front.
