Vergebene ChancenVon Renate H.Ashleigh ist ein Mdchen an der Grenze zur Frau. Aufgewachsen bei ihrem Grovater reitet sie besser als die meisten Mnner, durfte ihren Intellekt schulen und kann sogar beim Kartenspielen betrgen;-)  
Nicholas musste mit 10 Jahren den Tod der Eltern verkraften und wuchs bei seiner Gromutter auf. Nachdem ihn eine

Frau in jungen Jahren betrogen hat, will er sich nicht mehr verlieben. Diese beiden starken Charaktere treffen durch eine Einladung aufeinander, und die Funken sprhen. Die Geschichte von Nicholas Leighton, Duke of Sethe, und Ashleigh St. John ist berhend. Gut und flssig geschrieben, hat die Autorin die Charaktere mit ihren positiven und negativen Eigenschaften zum Leben erweckt. Ich kann nachvollziehen, warum Nicholas Probleme hat, an das Gute zu glauben. Auch wenn die Hrte mit der er agiert, wenn er sich betrogen fhlt, manchmal brutal wirkt. Der Wandel von Ashleigh von einem wilden Mdchen zu einer verantwortungsbewussten Frau ist gut gelungen. Auch die Nebenfiguren sind gut gezeichnet und glaubwrdig. Ich habe mich ausgezeichnet beim Lesen unterhalten, wie bei allen bisherigen Bchern von Jennifer McNare. Eine absolute Leseempfehlung fr alle, die gerne historische Romanzen mit Happy End und ein bisschen Erotik lesen. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Voller Herz-Schmerz Von Bcherliebe Die 18jhige Lady Ashlay St. John lebte mit ihrem Grovater Earl of Dexter ein zurckgezogenes, ruhiges Leben. Sie ist eine lebensfrohe, liebenswerte Natur, hatte die besten Lehrer, reitet gerne, kann Karten und Schach spielen. Als ihr Grovater fr einige Monate verreisen muss, zieht sie vorbergehend bei einer guten alten Bekannten der Dowager Duchess Madeleine Leighton ein. Dort trifft sie auf ihren Enkel Nicholas Duke of Sethe. Er zhlt 28 Lenze, genieet sein Leben, seine Liebschaften und ist bemht, sich alle heiratswilligen Damen vom Leib zu halten, denn er hat kein Vertrauen zu Frauen, seit seine Mutter ihn als Kind ohne ein Wort zurckliess. Trotzdem verliebt sich Ashlay in ihn. Aber die Beziehung der beiden ist und bleibt schwierig. Ashlay muss whrend des ganzen Weges ganz schn leiden. Immer wieder hat sie herbe Rckschlge zu verkraften, die mal durch Missverstndnisse, mal durch Eifersucht oder durch seine Gefhlsklte hervorgerufen wurden. Es sind also die typischen Zutaten einer klassischen Herz-Schmerz-Geschichte zu erwarten. Der Duke musste seine Bitterkeit Frauen gegenber ganz alleine berwinden, dabei konnte ihm nicht mal seine Angebetete helfen. Bis fast zum letzten Kapitel hat er sich oft wie ein gemeiner Idiot verhalten. Darum gab es nur wenig romantische Momente. Ich habe das Buch gespannt in einem Rutsch durchgelesen, aber ich schwanke zwischen vier oder fnf Sternen.

Kurzbeschreibung Original Publication Date: 6/1/2012 He swore he'd never love again... She would risk her heart time and again to prove him wrong... Much to his aggravation, the wickedly handsome Duke of Sethe, is wanted by every husband-hunting, title-chasing female in the country, or so it seems. Twice betrayed by women he loved, Nicholas Leighton is no longer the gullible young fool he was in his youth. Having grown cool and cynical, as well as older and wiser, he has vowed to never again allow another woman to affect him emotionally, for he has learned his lessons and learned them well. So, when the breathtakingly lovely Ashleigh St. John suddenly and unexpectedly enters his life, as well as his home, he is determined to keep the alluring interloper at an emotional and physical distance. Unfortunately, he quickly discovers that some things are easier said than done. Reckless and daring, Ashleigh St. John is an unconventional young lady with the heart of a hopeless romantic. When she meets Nicholas Leighton she is certain that she has met the man of her dreams, but unfortunately, the man of her dreams seems bound and determined to keep her at a distance, hiding his true emotions behind a self-erected wall of cool detachment and calculated indifference. But having glimpsed the wonderful man hiding behind the facade, she too is determined, determined to do whatever it takes to break through the intractable barriers that guard his heart, willing even, to surrender her innocence and time and again risk her ravaged heart to ultimately win his trust and more importantly his love. Dear Reader: Warning: If you are looking for a hearts and flowers romance, this probably isn't the book for you. This story involves a damaged hero who is desperate to keep from being hurt again and will do just about anything (including acting like a complete jerk at times) to keep the heroine from breaking down the walls he's built around his heart. The Reformed Rakes Series: Book 1 Until You (Nicholas) Book 2 You, and Only You (Alex) Book 3 When Only a Rake Will Do (Brendon) (Although these books are part of a series, written in chronological order and feature recurring characters, each can be read as a stand alone novel if so desired.) Please note: This book was originally titled Forever Always. Kurzbeschreibung Original Publication Date: 6/1/2012 He swore he'd never love again...
