frIhren Exzellenzen Service. Vielen Dank!!!!

Kurzbeschreibung New York Times bestselling author Bertrice Small continues the story of extraordinary orphaned beauty Rosamund Bolton in the second novel in the Friarsgate Inheritance series. Rosamund Bolton is determined finally to live her own life. She has claimed her inheritance, rejected her latest suitor and decided to travel to the court of her dear friend, Queen Margaret of Scotland. It is against this lavish and unpredictable backdrop that she will meet the man who will forever change her destiny. Patrick Leslie, the first earl of Glenkirk, has a tragic past, but he brings to Rosamund a passion that few will ever know. And as war looms once more between England and Scotland, and Henry VIII seeks to make himself the most powerful monarch in all of Europe, Patrick and Rosamund will undertake a dangerous mission on behalf of King James IV one that will test the very limits of their loyalty and the depths of their love... From the Paperback edition. From Publishers Weekly Small (Rosamund) resumes the 16th-century tale of Rosamund Bolton, an orphaned English beauty who's been "a wife one way or another since... three years of age," and who now, at 22, wants to live on her own terms. Widowed thrice and the mother of three daughters, Rosamund flees her home, Friarsgate, to escape a marriage proposal and to visit her dear friend Meg, Queen of Scotland. At court, she meets Patrick Leslie, earl of Glenkirk; sparks fly immediately, though he's twice her age. When King James sends Patrick to the Italian city of San Lorenzo to speak with England's allies in an attempt to prevent a Scottish-English war, Rosamund accompanies him. There the two bathe in the sunshine, make love during the siestas and get to know the diplomats—although little can be done to sway them from their alliance with England. Upon their return to Friarsgate, Rosamund realizes that she wants to be more than Patrick's mistress. He reminds her that they should be grateful for what they have, and while she agrees, "beneath her acquiescence anger was beginning to burn. She loved this man, and she always would. She didn't want to be separate from him. Ever." Before Patrick returns to Glenkirk, the two make plans to meet and marry in six months. But as war breaks out between England and Scotland, Rosamund's plans are put on hold as she finds herself fighting for her family, her land and her life. Full of historical detail, political intrigue and lots of steamy, enthusiastic sex, the second Rosamund saga should please Small's many fans. Copyright 2003 Reed Business Information, Inc. Praise for the Friarsgate Inheritance series Full of historical detail, political intrigue and lots of steamy, enthusiastic sex... Should please Small's many fans. Publishers Weekly Brimming with colorful characters and rich in historical detail, Small's boldly sensual love story is certain to please her many devoted readers. Booklist Fascinating [and] intriguing. *Affaire de Coeur* Bertrice Small fans will take immense pleasure with her latest heated historical romance... a fine sixteenth century romance with a strong cast caught in the maelstrom of momentous happenings. The Best s Small cleverly uses the monumental sixteenth century events to tell her story of love. Midwest Book Wickedly spicy, historically accurate... an enthralling saga that is impossible to put down! This novel is worth every one of its five Blue Ribbon ratings, and everyone needs a copy! Romance Junkies With her keen knowledge of history and the ability to craft a vividly colored backdrop, Small evokes the era and brings her characters to life. This is everything her fans could ever want. RT Book s
