**Kurzbeschreibung** His to unwrap. His to keep. In this spicy friends-to-lovers holiday romance, Derrick Fox only wants one gift beneath his Christmas tree--his best friend, Mia. He's harbored a secret crush on her for years, so when her latest moron walks out, Derrick's more than ready to swoop in and claim Mia for his own. Forever. Twenty-five-year-old Mia Patterson is sick to death of being a virgin. Naturally, she turns to her best friend, the ultra sexy Derrick Fox, to show her what making love is all about. His unexpected counter-proposal leaves her confused, intrigued. . . and tingly. Now they have until Christmas Eve to come clean about their true feelings or risk losing everything they have together, including their friendship. A once-in-a-lifetime love could be their reward, but first they'll have to bare more than their bodies. For it's only when two hearts come together in trust, and in love, that the most priceless of gifts can be unwrapped. A New Adult Contemporary Holiday Romance Novel, Unwrapped is Book 1 in the Christmas Wishes, Valentine Kisses series. (Book 2: Cupid's Mistake, a New Adult Contemporary Valentine's Day-themed Romance Novel.)
