I enjoyed reading about Leah and why she had to run away. Throw in a sexy hunk called Drew this made a lovely story.I've read plenty of stories where boy girl with tragic problems meet help one another. This was different. It certainly had me thinking.. About what? Well you will need to

Cybermobbing Von Merle Ein Ferienflirt, der sich zu etwas Ernstem entwickelt. Leah Austin verbringt ihre Sommerferien in South Carolina am Strand, bevor sie ihr letztes Jahr am College beginnt. Weit weg von ihrer Heimat Tampa in Florida, wo sie von ihrem Ex-Freund Kevin per Internet gemobbt wird und sich nicht wehren kann. Trotz ihrer Abkapselung und ihrem Unwillen, eine Freundschaft einzugehen, findet der gut aussehende Drew einen Weg, sie näher kennenzulernen. Aus der unverbindlichen Ferienbekanntschaft entwickelt sich langsam mehr. Das Buch ist gut, flüssig und gefällig geschrieben. Cybermobbing ist ein grosses Thema und kann das Leben der Opfer zu Hölle machen, es ist schwierig, sich zu wehren. Doch kann ich die Verhaltensweise der Protagonisten nicht besonders nachvollziehen. Leah hat gute Freunde in der Heimat, die Meisten stehen voll hinter ihr, ihr Ex hat eigentlich keine Chance. Und doch lässt sie sich in die Fremde vertreiben, hat niemanden, der sie unterstützt. Und verliebt sich in den Ersten, der sich die Mühe macht, sie näher kennenzulernen. Drew ist eigentlich ein netter Typ, doch auch er lässt sich nach einem berlebten Flugzeugabsturz treiben- das ist für mich überhaupt keine Bewältigung, keine Lebenshaltung. Was mir nicht gefällt, dass die Geschichte nicht fertig geschrieben ist, unfertig wirkt. Mittelmässig.

Kurzbeschreibung From the New York Times and USA Today bestselling author Kate Dawes (previously published as BREAK MY FALL) When Leah's ex-boyfriend Kevin betrays her in a horrifically public way, she leaves town to spend her last summer of college in a place where no one knows who she is or what happened to her. All she wants is a little peace of mind and some good surfing so she can regroup before returning for her senior year. After his own tragedy a few years ago, Drew developed an entirely new and unique outlook on life and became a risk-taker, daring and dangerous, everything Leah wanted to avoid. But a bizarre encounter forces her to let Drew into her life, little by little, secret by secret. He's smart, funny, persistent, and makes money in a rather unconventional way. They share a mutual fascination and attraction, until her past with Kevin complicates her present with Drew, making Leah question her future. Just as her life seems to be spinning out of control, Leah learns that sometimes you save someone by letting them save you. Due to mature themes, this book is recommended for readers 18+.
