Addicted ReiderVon Mell have to say i really prefer books to blogs because i am so curious and want to know asap how the story will go on and how it will end but D.W. got me hooked i loved the reids till i started with Emily's Story. And i always wait for the Monday and Thursday till the blogs come out but i really really want to know how Bee and Nick will develop. I also can see where Nick is coming from and that he wants to be independent and care for his "family" sooo lets wait and see if they will get each other in the end. Cliffhanger but go to the Homepage and read the weekly blogpost for free as they continue

Kurzbeschreibung Indelible Love Series Book 7 Nick Reid belongs to a legendary family known for their love, generosity, and commitment to one another. When a Reid finds true love, it's full of drama, but happily everlasting. Bee Taylor grew up alone and independent, but she believes that when she finds her ultimate love, it will have been worth the loneliness. As a twenty-five-year-old med student, Nick finds Bee to be the closest thing to true love, but doesn't desire to commit beyond the here and now. He feels he's too young, too unsettled, but ultimately, he's too afraid to take that last step. As a thirty-year-old designer, Bee is established in her career and ready to find the same kind of stability in her personal life. She wants a man who can profoundly love her and commit without reservation. If opposites attract, then Nick and Bee are the perfect pair. But, there are too many obstacles that keep these two from finding happiness. Written once again in a blog format like its preceding series, Indelible Lovin' - Max Jane's Story, Nick and Bee's Story is full of drama, cliffhangers, and of course twists and turns. Originally published as a Monday / Thursday series on , Vol.1 has been compiled as a read-all-in-one-sitting version. This volume is only half the story. The rest is being unfolded on the website. Warning: If you don't like laughing, crying, feeling frustrated, and wanting to slap the hero upside his head, this isn't the book for you.
