Von Joyce Sullivan : Urgent Vows before purchasing it in order to gage whether or not it would be worth my time, and all praised Urgent Vows:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Urgent Vows Von Penny Griffin, Intrigue Fan Joyce Sullivan returns with "Urgent Vows," a page-turner with good action and nicely developed characters. More of a suspense thriller than a mystery, it isn't the kind of book the reader can try and follow clues to figure out who the villain is. There are suspects, but it's clear who the author is pushing all the attention toward for most of the book. That isn't a criticism. Her approach works; those looking for that kind of mystery should simply know it isn't that kind of book. What it is is an irresistible mix of fast-paced action and high drama. The story

begins after Quinn's brother and sister-in-law have been murdered and he is already on the run with their children. The emotional tension stays at that consistently high level for much of the book. The characters are smart and likable and their dilemma is compelling, the kind where many readers will be asking what they would do in the heroine's place. The story moves with a swiftness that breezes the reader past some of the more far-fetched elements of the tale, making them more acceptable than they might be if we stopped to examine them. The shifts from scenes from the leads' perspective to the killer's and some secondary characters' give the story a wider scope and effectively adds to the suspense. Sullivan enriches her tale with a lot of new, interesting facts and information, all seamlessly integrated in an unobtrusive way. Even without the list of acknowledgments, it's clear she's done her research, a nice change from so many stories that are fuzzy on some details or authors who use generic plot elements to avoid doing actual research. It's the kind of book where I felt like I learned something while being entertained. A roller coaster ride of emotions and suspense, "Urgent Vows" is a most successful romantic suspense novel.

Kurzbeschreibung He asked her to be his wife, a mother to the children and before the night was through possibly his widow Quinn McClure had no right to show up on her doorstep after five years, looking sexy and desperate, with two tiny orphaned children in tow, asking her for an impossible favor. And yet, one look in Quinn's eyes, and her heart answered yes before she knew it. Quinn knew that if something happened to him before he could find his brother's killer, at least he could see that Hope and the children were safe. But being with Hope again reminded him of the wasted years they'd spent apart. Now with a killer on their heels, Quinn had to stay alive for the children and for Hope, who loved him as only a true wife could.

Autorenkommentar A race to the altar! Quinn McClure asked Hope Fancy to be his wife, a mother to his newly orphaned niece and nephew--and before the night is through . . . possibly his widow. Quinn McClure had no right to show up on Hope's doorstep after ten years, looking sexy and desperate, with two tiny orphaned children in tow, asking her for an impossible favor. And yet, one look in Quinn's eyes, and her heart answered yes before she knew it. Quinn knew that if something happened to him before he could find his brother's killer, at least he could see that Hope and the children were safe. But being with Hope again reminded him of the wasted years they'd spent apart. Now with a killer on their heels, Quinn had to stay alive for the children--and for Hope, who loved him as only a true wife could. Though Quinn had been her first fiance all those years ago, Hope couldn't tell him about the wedding jinx that had severed her four subsequent attempts to marry. Hope prays a jinx, a hit man and Quinn's stubborn willingness to sacrifice his life to keep them all safe won't prevent her from having the family and the marriage of her dreams.
