Kurzbeschreibung From New York Times bestselling author, Deborah Bladon, the second part of VAIN, a three part contemporary romance serial. Posing nude for the illustrious Noah Foster seemed like an exciting escape from Alexa's life. No one was supposed to find out, but when the one man who owned her heart, discovers her secret, everything changes. Alexa is not only caught in a compromising position but in a situation in which her past and present collide. Determined to build a future for herself, she takes on the dual task of focusing on her career and burying her past regrets. It's never that easy though, and Noah Foster doesn't give up when he sets his sight on something or someone. As Alexa chases after her own dreams, both men in her life pursue her in a reckless fight to the emotional finish. When one man offers her a proposal almost too tempting to resist, she makes a decision that brings her face-to-face with an unexpected reality.
