Brian Hennessythis is my first sorrey into the chasm of gothic prose and not my last because of Ms. Reed. A great read for those that try and fail at second-guessing the authors romantic path of mystery. Plush prose mixed with scintillating romantic intrigue and a setting of equally refined goth-aesthetic taste. strong

characterization makes for a multi-layered and addictive experience. Thank you Eden.J. Brian Hennessy0 von 0 Kunden fanden die folgende Rezension hilfreich. A Riviting ReadVon Kathleen M McCormickI was held captive from the time I opened the book until the suspenseful end! A new author that is worth reading. With a distinctive voice the Valley of Hemlock richly portrays a classic mystery at it's best. Unique characters, surprising twists abound. I would highly recommend this book as a quiet weekend retreat.
