The love story between Elora and Rammel Von Birgit Wahl If you have read the other Knights of the Black Swan books you know Elora Laiken and Rammel Hawking, you know their story since the story was told but now you can read it from

Rammel Hawking's viewpoint lol I loved it. The author wrote how Rammel was feeling and gives a deeper inside in the story cause you can read about what Rammel has in his mind. The conflicts he had, how he dealt with it. It is not new but a new viewpoint it is also a 5 star book that is my opinion, I added it to my keepers and it is re-read worthy too. I can't wait for the next installment into the Knights of the Black Swan series

Kurzbeschreibung New York Times and USA Today bestselling author, Victoria Danann, writes a love letter to the sexy vampire hunter, Sir Rammel Aelshelm Hawking, in this retelling of My Familiar Stranger from his point of view. The young prince of Irish elves is misfit for palace life. When he runs away to the wild magic of the New Forest, he's adopted by the residents of a village lost in time. On a stormy night a veteran Black Swan knight finds his way to the hunting cottage deep in the forest and recruits Ram on behalf of The Order of the Black Swan, an ancient and secret organization of vampire hunters and paranormal investigators.
