Von Lynsay Sands : Vampire, Interrupted: An Argeneau Vampire Novel (Argeneau Vampires) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vampire, Interrupted: An Argeneau Vampire Novel (Argeneau Vampires):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. Another

enjoyable episode in the Argeneau Vampire series Von Helen Hancox "Vampire Interrupted" carries on directly after the previous book, "Vampires Are Forever", and in fact some of the events in this book relate to those in the previous. "Vampires Are Forever" featured Thomas Argeneau who had been sent to look for his aunt Marguerite who has gone missing whilst working as a detective and trying to find the mother of Christian Notte who had hired her. In "Vampire Interrupted" we see events from Marguerite's point of view as she travels to England and from London to York in search of the story of Christian's past. This reader had felt that the Argeneau series was getting a little tired and formulaic with the books basically rehashing the same plot devices (woman is turned into vampire by Argeneau man, has to learn to live with the new life, decides she loves the hero). "Vampire Interrupted" is a rather different book and this is a great mark in its favour. For once both hero and heroine are already vampires, are in fact old vampires with children and long histories. In this story Marguerite finds herself under attack from a mystery assailant as she, along with mortal private detective Tiny, tries to follow historical clues to Christian Notte's origins. She knows already that Christian's father Julius won't tell him about his mother, instead Julius has managed to frighten off every previous detective from the hunt, and sure enough Julius appears on the scene in London. Yet things are rather different and he doesn't try to prevent Marguerite and Tiny's searching, instead he goes with them as they travel to York to try to find out more. It soon becomes clear that events in Marguerite's past may contain the answer to some of her questions as well as causing her to mistrust Julius when she finds herself drawn to him. There are some unexpected plot directions in this book that worked really well, even the 'baddie' was a surprise and yet very plausible. The story of two older people trying to put aside their cumulative life experiences to learn to trust each other was very well written and the conclusion was wrapped up nicely. This is definitely one of the better stories in this series and undoubtedly will appeal to Lynsay Sands' fans. Originally published for Curled Up With A Good Book, curledup.com. Helen Hancox 2008

Von Witchy Ich persönlich liebe alle Bücher dieser Reihe abgesehen (mit ein oder zwei Ausnahmen) und wurde auch von diesem nicht enttäuscht. Nun habe ich alle Bücher auf Englisch gelesen und mir einige aus Amerika schicken lassen. Es nicht rechtzeitig angekommen, was mich nicht störte. Dann viel mir allerdings auf, dass ich anstelle von Vampire Interrupted ein anderes Buch der Reihe geschickt bekommen hatte! (Viel angesichts der 16-Buchbestellung nicht schnell ins Auge.) Auch das juckt mich nicht wirklich, ich habe einfach nochmal bestellt, aber man sollte wohl genau darauf achten, was tatsächlich ankommt, denn auf der Großbestellung stand überall Vampire Interrupted drauf... naja, tut dem Inhalt des Buches aber keinesfalls einen Abbruch! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spitze Von Jessica Hartmann Endlich kommt Marguerite dran. Sie ist einem in den bisherigen Büchern dermaßen an Herz gewachsen, da wurde es wirklich Zeit. Die Story ist wirklich spannend. Man hat keinen Schimmer was vorgeht, genau wie Marguerite. Man kann es kaum erwarten, bis endlich ein paar Fragen beantwortet werden. Konnte das Buch kaum aus der Hand legen. Habe es in einem Tag verschlungen.

**Kurzbeschreibung** After seven hundred years of life, Marguerite Argeneau finally has a career. Well, the start of one, anyway. She's training to be a private investigator, and her first assignment is to find an immortal's mother. It seemed simple enough, until Marguerite wakes up one evening to find herself at the wrong end of a sword. Now she realizes she's in way over her head. Julius Notte wants to protect Marguerite, and not because someone just tried to take her head off. She doesn't know it yet, but she's his lifemate and he's determined to woo her. It's been over five hundred years since he last courted a woman, but surely the techniques haven't changed. Now if only he can keep her alive - so to speak - so they can have that happily-ever-after.

**Werbetext** It was a case she could sink her teeth into... **Kurzbeschreibung** After seven hundred years of life, Marguerite Argeneau finally has a career. Well, the start of one, anyway.
