Millionaire Vampire" left off - Roman Draganesti, now he has found the love of his life in Shanna Whelan, has asked his harem of ladies to move out so that he can be alone with Shanna. One of this harem is Darcy Newhart, a former TV journalist who was made a vampire just four years ago. Darcy has not by any means come to terms with her new status as one of the undead, and is afraid of Connor, the Scottish warrior who made her a vampire to save her life. And now she and the other harem members are living squashed all together in a small house looking for a new master to take care of them. Shanna's father works for the CIA with his Stake-Out Team which exists to rid the world of vampires. One of this team is Austin, a man with not only the ability to resist vampire mind tricks but also his own telekinetic powers. Austin finds himself involved in a reality TV show produced by Darcy as one of several mortals. The vampire participants in the show aren't aware initially that there are mortals among them, but as the contestants are whittled down to the one who will become the new vampire master of Roman's former harem, as well as richer by several million dollars, their desire to spot and exclude all the mortals becomes very strong. This book is sort-of a coming of age book. Darcy is learning to deal with her nature, Austin is learning that all vampires aren't evil, and Roman's former harem are learning to make lives for themselves on their own, not as submissive ladies. The love story between Darcy and Austin seems rather superficial - they like the way each other looks, so that's OK then as a foundation for long-lasting and true love. Despite the fact they both treat each other badly, they still seem to decide they have discovered their soul mates. Interesting. This book was still fun with lots of humorous events and the same great cast of characters. The baddies from the previous book - the Malcontents - have a much lesser role here, this book is far more focused on Darcy and Austin and the problems between vampires and humans. Like the previous book, our central character doesn't want to become a vampire and perhaps there's a slight logic problem here as the vamps are portrayed as having really rather a good life, and fun, and certainly more longer lasting, but overall it's still a pretty good read. Nice to catch up with Shanna and Roman following the end of the first book, too. Yes, it's worth a read.

Realityshow im Vampir TV, lebendiger als bei den Sterblichen Von Magritte Seit einigen Jahren kommen immer mehr Vampirromane heraus, entweder Krieger Vampire wie bei Ward, Kenyon oder Adrian; oder eher lockerer wie bei MacAlister, Davidson etc... Fr mich ist Sparks ein frischer Wind in der fast schon verstaubten Vampirwelt. Die Welt die Sie kreiert macht Sinn; die Charaktere sind lustig, lebendig, witzig, intelligent charmant und nie lcherlich. Als ich meinem 78 Jhrigen Vater von der Geschichte erzht habe hat es auch gelacht und das Buch zum lesen genommen... (es geschehen wunder! ;O))Vamps in the city" schliet fast nahtlos an "How to marry a millionaire Vampire" an. Nachdem Roman sein Harem herausgeworfen hat sind die meisten verloren. Darcy Newhart (welche erst seit 4 Jahren verwandelt wurde) will sich zu einem eigenen Leben verhelfen indem sie im Vampir Fernsehsender die erste Vampir Realityshow auf die Beine stellt. Eine Sendung in der 5 der Haremsdamen den Sexiest man on earth" kren sollen. Um das ganze etwas pikanter zu gestalten befinden sich auch sterbliche unter den Kandidaten, darunter der CIA Agent Austin Erickson, Vampirjger. Als die beiden sich zum ersten Mal sehen funkt es sofort, nur sie ist Vampir, er ist menschlich... wie soll das funktionieren. Die Charaktere sind sympathisch, lustig, lebendig (ja auch die Untoten!). Es passiert eigentlich nicht viel aber es wird einem beim lesen nicht fas und man geht auch nicht in unendlich langen Wiederholungen unter. Das einzige das mich ein wenig gestrt hat ist diese: sie sehen sich und sofort ist es die ewige Liebe. Viel Spa auf jeden Fall beim Lesen MBTM0 von 0 Kunden fanden die folgende Rezension hilfreich. DVN Digital Vampire Network Von Cornelia Wollersheim Vamps an the City beschreibt, wie einige der Haremsdamen von Roman nach der Auflsung des Harems ihr Leben gestalten. Fr einige ist es schwierig, weil sie schon sehr alt sind und an alten Gewohnheiten festhalten wollen. Im Gegensatz zu Darcy Newhart. Sie war Journalistin und ist gegen ihren Willen zum Vampir gewandelt worden. Sie vermisst die Sonne und menschliches Essen, weil sie sich mit ihrem Schicksal als Vampir nicht abfinden kann. Sie nimmt einen Job bei DVN an und kreiert eine Reality-Show. In diese Show werden von Mr. Whelan 2 CIA-Leute eingeschleust. Einer davon ist von Darcy fasziniert, weil er sie fr KEINE Vampirin hlt. Biss Auch diese Geschichte hat neben Spannung und Emotionen sehr viel Humor und Witz. Diese Love at Stake-Reihe ist einfach klasse.

Kurzbeschreibung Who says a vamp can't have it all? Darcy Newhart thought it was a stroke of genius the first ever reality TV show where mortals vie with vampires for the title of The Sexiest Man on Earth. As the show's director, Darcy's career would be on track again. And she can finally have a life apart from the vampire harem. Okay, so she's still technically dead, but two out of three's not bad. Now she just has to make sure that a mortal doesn't win. If only she wasn't so distracted by a supersexy and live contestant named Austin... But Darcy doesn't know the worst of it. Austin Erickson is actually a vampire slayer! And he's got his eye on the show's leggy blond director. Only problem is, he's never wanted any woman living or dead as badly. But if he wins her heart, will he lose his soul? And if it means an eternity of hot, passionate loving with Darcy, does that really matter anyway? From Booklist After spending the last four years living in a vampire harem, Darcy Newhart knew her television career was over. Even if the vampires, nice as they are, were willing to let her return to her former life, everyone thinks she is dead. So when the chance to work for DVN, the Digital Vampire Network, presents itself, Darcy seizes the opportunity. Inspired by the popularity of

reality television, Darcy proposes the idea for a show called "The Sexiest Man on Earth," in which a vampire harem picks their new master. What the vampires at DVN don't know is that to give the show a twist, Darcy plans on including a few mortal men among the candidates. What Darcy doesn't know is that one of those mortals is Austin Erickson, a CIA agent whose mission is to kill vampires. Sparks skillfully infuses her writing with a deliciously sharp wit, and the second in her sexy contemporary vampire series is wickedly fun. John Charles Copyright American Library Association.
